## ABOUT US

Mainus Construction Custom Built Home Storage Sheds has been providing storage sheds for people from the same location in Waterford for over 30 years.

We sit down with you and discuss what your storage needs are, then we design a building that best meets those needs.

Not everyone has the same storage requirements, so we don't expect you to pick from a list that may not be what you are looking for.

If you have some ideas for a shed that you do not see listed, just ask us and we can customize your building to be exactly what you are looking for.
